

Peaceful the Wondrous Night

Eliza Edmunds Hewitt, 1903

E. G. Snelling

1. Peace-ful the wond-rous night, Peace-ful and ho-ly, Un-der the sil-v'ry light,
2. Come with that shep-herd band, Come to the man-ger; Join in the cho-rus grand,
3. Sweet fa-vor, thus to bow, Love's trea-sure bring-ing, Grate-ful-ly yield-ing now,

Gleam-ing a-far. Faith-ful-ly watch-ing there, Shep-herds so low-ly,
Glo-ry to God! Wor-ship the ho-ly Child, Won-der-ful Stran-ger,
Life's joy-ful praise. Hear from the heav'n-ly height, Glad e-choes ring-ing,

Refrain
O-ver the hills so fair, Saw glo-ry's star
Give to the Un-de-filed, Glo-ry and laud. Hail to the star-ry night,
Bless-ing and pow'r and might, Through end-less days.

Spark-ling with glo-ry; An-gels on wings of light, Throng-ing the sky; Hail to that

star-ry night! Wond-rous its sto-ry; Je-sus the Prince of Light, Came from a-bove.
