

# The Pilgrim's Journey

Frances Jane (Fanny) Crosby, 1868

William Howard Doane

1. Slow to an - ger, full of kind - ness, Rich in mer - cy, Lord, Thou art,  
2. Thou wilt ne - ver, ne - ver leave me, If I give my - self to Thee,  
3. May Thy ev - er gra - cious spir - it, Lead me in the way of truth,  
4. O! how sweet to rest con - fid - ing, On Thy Word that can - not fail,

Wash me in Thy heal - ing fount - ain, Take a - way my sin - ful heart.  
Teach, O teach me how to praise Thee, Tell me what my life should be.  
May I learn the voice of wis - dom, In the ear - ly days of youth.  
Strong in Thee, what - e'er my tri - als, Through Thy grace I must pre - vail.

I would go the pil - grim's jour - ney, On - ward to the prom - ised land;

I would reach the gold - en ci - ty, There to join the an - gel band.
