

The Power of the Holy Ghost

Frances Jane (Fanny) Crosby, 1918

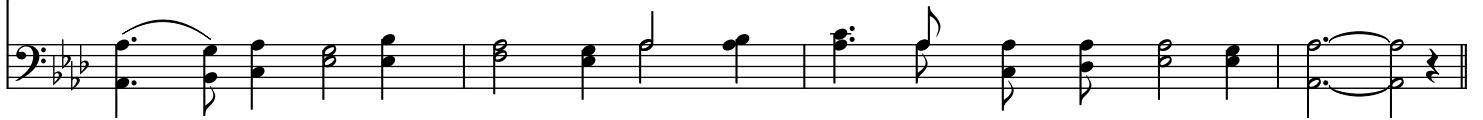

Charles Hutchinson Gabriel

1. Come, Spir - it, come in might-y power, As on the bless - èd day of old When
2. O for a might-y rush - ing wind To fill this con - se - crat - ed place, That
3. O for a power that heals the heart, That takes a - way the dross of sin, That
4. Dear Sav - ior, from Thy throne on high Now grant the power for which we call, Till

fell the pen - te - cost - al shower That ga - thered thou - sands to the fold.
sin - ners lost might seek and find The gate of hope, the door of grace.
we may, like the world, de - part, And let the King of Glo - ry in.
shouts of rap - ture fill the sky, And Thou, O Lord, art all in all.

Refrain

No-thing but the power of the Ho-ly Ghost Can sanc-ti - fy and keep through a Sav-ior's love, And

light with-in our souls the flame That burns on the al-tar of Heav'n a-bove.
