William Marion Runyan, 1919

1. Word of God, O sac - red trea - sure! Sage and shep - herd, king and priest,
2. Fold - ed in thy sac - red pag - es, Where the eyes of men may see,
3. Word of God, thy theme is Je - sus, Je - sus and His dy - ing love,
4. Word of God, thy o - pen pag - es Call to ser - vice, ban - ish fear;

Moved by God's own Ho - ly Spir - it, Brought to men thy won - drous feast.
Is the wis - dom of the ag - es Giv - en for our li - ber - ty.
How from sin He full - y frees us, How He points to realms a - bove.
None can i - dle be, or list - less, If thy great com - mands they hear.
