1. Lift up your heads in joy - ful hope, Sa - lute the hap - py morn; Hear  
2. Let joy a - round like ri - vers flow, Flow on, and still in - crease, Spread  
3. Then let us join the skies a - bove, Where shin - ing ser - apts sing; Join

heav'n - ly power pro - claim the hour: Lo, Je - sus Christ is born. All  
o'er the earth at Je - sus' birth, With Heav'n and men at peace. Re -  
an - gel powers, their Lord is ours, Our pro - phet, priest, and king. The

glo - ry be to God on high, To Him all praise is due; The  
- joice, come see, sal - va - tion free For Ad - am's help - less race: From  
tid - ings of great joy be spread To earth's re - mot - est bound; With

pro - mise sealed, the Lord re - vealed, He proves the re - cord true.  
Hea - ven's throne to save His own, Mes - si - ah comes with grace.  
heav'n - ly host, to ev - ery coast We raise the joy - ful sound.
