Contemplatively (♩=104)

1. When - life brings you to the end of your rope, When you feel as though
2. Know that when you have lost your way - to - day, Have faith - in God,

you can no long-er cope, Re - mem-ber this, your won-der-ful hope: Christ in you,
in - Him your life lay, Seek - His face, o - bey - His Word, Con - fess all

Refrain
the hope of glo - ry! What a bless - ed hope, what a glo-ri-ous hope;
your sin, Make Him your Lord.

Our faith in God, though life seems a mess; Liv-ing in God, what peace we will find,

Free-dom in Christ, and a God so kind!
