

Renew Your Church

1 Re - new your church, our mi - nis - tries re - store: both to serve
 2 Teach us your Word, re - veal its truth di - vine, on our path
 3 Teach us to pray, for you are e - ver near, your still voice
 4 Teach us to love, with strength of heart and mind, each and all,

and a - dore. Make us a - gain as salt through - out the land,
 let it shine; tell of your works, your migh - ty acts of grace,
 let us hear. Our souls are re - stless till they rest in you,
 hu - man - kind; break down old walls of pre - ju - dice and hate,

and as light from a stand. 'Mid som - ber sha - dows
 from each page show your face. As you have loved us,
 this the goal we pur - sue. Be - fore your pre - sence
 leave us not to our fate. As you have loved and

of the night, where greed and ha - treds spread their blight, O
 sent your Son, and our sal - va - tion now is won, O
 keep us still that we may find for us your will, and
 given your life to end hos - ti - li - ty and strife, O

Text: Kenneth L. Cober (1902-), alt.
 Tune: *The Sacred Harp*, 1844

send us forth with power en - dued, help us, Lord, be re - newed.
let our hearts with love be stirred, help us, Lord, know your Word.
seek your gui - dance ev - ery day, teach us, Lord, how to pray.
share your grace from heaven a - bove, teach us, Lord, how to love.

The image shows a musical score for a hymn. It consists of two staves: a treble clef staff at the top and a bass clef staff at the bottom. Both staves are in the key of D major, indicated by a sharp sign on the F line. The treble staff contains a melody of eighth and quarter notes. The bass staff provides a harmonic accompaniment with chords and moving lines. The lyrics are written in four lines, centered under the treble staff. The lyrics are: 'send us forth with power en - dued, help us, Lord, be re - newed. let our hearts with love be stirred, help us, Lord, know your Word. seek your gui - dance ev - ery day, teach us, Lord, how to pray. share your grace from heaven a - bove, teach us, Lord, how to love.'
